Objectives of the scheme

The [BFI Film Audience Network \(FAN\)](#) reaches out across the UK to ensure people have the maximum possible opportunity to watch and enjoy a broad screen culture, regardless of location or circumstance.

As part of FAN, Film Hub South East (FHSE) has been awarded funding from the BFI National Lottery to support the region's film exhibitors in their efforts to reach a wide, diverse audience with independent British and international film and deliver against the priorities set out in the [BFI's Screen Culture 2033 strategy](#).

We support organisations that screen film to a public audience, from cinemas, mixed arts venues, film festivals, film societies and community groups to maintain and grow an inclusive sector.

We are looking for proposals that best demonstrate how the suggested training and professional development activity will impact the ability of cinemas and film festivals to best address the strategic priorities:

- To create opportunities for children and young people to experience a broader screen culture
- To support public access to a wider choice of film and moving image, including stories that reflect their lives
- To tackle social, economic and geographic barriers for audiences engaging in a broad and diverse screen culture
- To boost skills and knowledge to help exhibitors grow in confidence and capability
- To increase audience access to screen heritage
- To reduce screen organisations carbon footprint

How much support can I request?

Training and Professional Development bursaries for activities taking place from April 2023 are available up to £750 (inclusive of VAT). Applications can be submitted for up to 90% of the costs of training course fees, travel and accommodation costs related to attending training, and other costs related to professional development. However, in most cases we would not expect to fund more than 70% of the cost.

If applicants are VAT registered, bursary claims should not include any VAT if it will be claimed back from HMRC. If applicants are not VAT registered, bursary claims can include VAT where necessary.

Organisations can receive a maximum of £750 from this fund from April 2023, so please be sure to discuss plans with your colleagues before applying.
