- b. All projects approved by SARAO for postgraduate research for 2022, as well as the contact details of the relevant supervisors, are available at: <https://www.sarao.ac.za/students/funding/>

If the supervisor of the approved project agrees to supervise a student for his/her Masters/Doctoral degree, the supervisor must provide the student with a signed letter, on a university letterhead, stating that he/she has agreed to supervise the student for the relevant project. The student must upload a copy of this letter with their application, as an attachment. SARAO will NOT consider an application if there is no supervision-agreement letter.
